

iLuv Introduces New Aud Mini Smart 6 App-Enabled Portable Bluetooth Speaker with FM Radio

-iLuv's Aud Mini Smart 6 Provides Powerful On-The-Go Music and Entertainment-

Port Washington, NY – June 02, 2015 – [iLuv Creative Technology](#) announces the company's first app-enabled portable Bluetooth® speaker with FM radio, the Aud Mini™ Smart 6. Aud Mini™ Smart 6 features the same footprint as the iPhone 6, but delivers big sound and offers additional convenient features such as FM radio, weather resistance, and hands-free calling. As part of iLuv's new Connected Home - Connected Life series of smart products, Aud Mini™ Smart 6 connects owners to powerful technology for great quality music.

“Following the success of our original Aud Mini™ speaker we decided to extend our Aud Mini™ line with the Aud Mini™ Smart 6,” said William Otte, Senior Vice President of Sales and Marketing at iLuv. “This ultra-portable Bluetooth® speaker is weather-resistant and offers great features such as data-free FM radio and a panic alarm, making it the ideal on-the-go speaker for any occasion.”

The [Aud Mini™ Smart 6](#) is weather-resistant and extremely portable for the on-the-go adventurer. It easily slides into pockets or can be attached by clip via the included, handy carabiner. Although slim and compact, Aud Mini™ Smart 6 delivers big, full-range sound thanks to its powerful speaker. It is built with a rechargeable battery that can provide hours of music playtime.

Same Footprint as the iPhone 6

Aud Mini™ Smart 6 is nearly the same size as the iPhone 6, making it perfect for slipping into your pocket or clipping to your backpack or purse with the included carabiner.

User-Friendly App and FM Radio

Aud Mini™ Smart 6 has an easy-to-use app so you can pair your phone or tablet to the speaker via Bluetooth®, stream music wirelessly and listen to FM radio without draining your data plan. With presets for easy access, enjoy your favorite stations quickly and easily.

Weather-Resistant

Sometimes life can get messy so Aud Mini™ Smart 6 features a rugged weather-resistant design that protects it from being damaged by leaks, spills and splashes.

Answer Calls Hands-Free

If you receive a call while streaming music, a quick click on your Aud Mini™ Smart 6 answers the call and lets you talk hands-free. When the call ends, your music will resume playing automatically.

Panic Button

Aud Mini™ Smart 6 doubles as a safety device with its panic alarm function. In emergency situations, owners can activate the panic alarm on Aud Mini™ Smart 6, which causes the speaker to emit a loud alarm sound to attract attention and alert anyone nearby.

Aud Mini Smart 6 is available in four different colors: black, grey, green, and pink.

Pricing and Availability

iLuv's Aud Mini™ Smart 6 has an SRP of \$29.99 and is available now at [Amazon](#) and other select retailers.
